The Musical

SHOW SPONSOR

The hit comedy film becomes a fresh, fun and upbeat musical that explodes on stage.

Based on a novel by Amanda Brown and the Metro Goldwyn Mayer motion picture

Vivacious, energetic and full of catchy tunes, *Legally Blonde* is a musical comedy that smashes stereotypes and defies expectations. This much fun should be illegal!

West End's Best New Musical 2011 (Laurence Olivier Award and Theatregoers' Choice Award)

"I tried, I really tried to hate this show, but resistance is futile... This is rom-com with a welcome touch of irony... Among feel good musicals, *Legally Blonde* is right up there with *Mamma Mia!* and *Hairspray*." – Charles Spencer, *The Telegraph*

"...ridiculously enjoyable from start to finish... Omigod I'm like so totally going again." – Paul Taylor, *The Independent*

"If you want a fun night full of laughter and enjoy shows that are smart, full of catchy songs and leave you feeling happy, *Legally Blonde the Musical* is the place to be." – Eryl Crump, *The Daily Post*
