Cerebral Palsy Society

Dear Gilli,

We hope all is well with you!

Just a reminder that we are currently calling for applications for the 2018 Be. Leadership programme (applications close Oct 31). We really appreciate your support in identifying potential Be. Leaders and once again it would be great if you could identify some “star quality” leaders who might benefit from being a part of this growing leadership community!

A bit about the programme: Set over 21 days throughout the course of the year, Be. Leadership is designed to strengthen and promote an accessibility-focussed leadership community in New Zealand.

Visit the website to learn more: [www.beaccessible.org.nz/be-leadership](http://www.beaccessible.org.nz/be-leadership)

The programme enables participants to develop their leadership style and capacity including:

- Developing new frames of thinking around leadership through challenging conversations with leaders
- Developing self-awareness and personal leadership skills
- Building long-term relationships that will continue to develop learning
- Developing skills and networks to promote career paths and civic engagement

With an organisation such as yours, we have no doubt that you have some great leadership talent emerging within your network of staff, colleagues, clients and peers. If you know of anyone who would be an ideal candidate for the programme, please do let Hannah Slade, Be. Leadership Programme Manager, know! We'd be very happy to follow up with them to make contact and introduce the application process to them.

Also take a moment to view the following link and watch some of our 2016 participants share their insights about the leadership roles of host, disruptor and navigator.
